WELCOME

A comforting space to gather, remember and honour a cherished life.

At Engadine Tavern, we understand that a Celebration of Life is a moment for connection – a place where memories are shared like treasured keepsakes and where family and friends can come together with ease. Our team is here to make the organising simple and the atmosphere calm, so you can focus on what truly matters.

We provide dedicated spaces at no additional cost, giving you the freedom to choose the setting that feels right without the pressure of extra fees. Each space carries the relaxed, familiar feel that Engadine Tavern is known for.

Every family's needs are different. We offer options across all price points, from simple and understated to more catered gatherings, ensuring you can create a fitting farewell without financial pressure.

You're welcome to choose what works best for you. We have canape packages available but we can also offer you the space with no food package required. You can choose to have a cash bar or a bar tab and we also have a beverage package available on request with Tea and coffee available also.

Additional touches such as flowers and decorations, photo slideshow tribute or soft background music can be arranged to further honour and reflect on your loved ones life. Engadine Tavern extends its sincere condolences to you and your family
